

OUR LADY OF THE ANGELS, ERITH, KENT

THE O.L.A. CHOIR

We are a mixed ability group, currently consisting of five men and eight ladies, who lead and support the singing at the Saturday 5.30pm Mass and our aim is to bring music to the liturgy of the Mass to aid and enhance our worship.

Choir practice is held in the Church every Thursday evening at 7.30 pm where we rehearse the music to be used for the forthcoming service. The broad base of our music is both traditional and modern. We also learn new works and when necessary, include such music as may be required for any Celebrations, Festivals, or Weddings. The wedding services are, of course, mostly on a Saturday and a small fee is paid for attendance.

It is not necessary to read music, although a knowledge of music is certainly an asset. The main ability is to be able to sing in tune with others, coupled with an enjoyment of singing and a willingness to become a member of our choir group. There is no audition.

Please feel free to come to a rehearsal – no pressure to join – you would be made most welcome.

Our Director of Music/Organist is Michael King and our Choir Director is Christine Bould.
